Notes

Services are considered to be in a **Grace Period** for a total of **14 days** whilst this invoice is outstanding. If no payment or contact to make payment arrangements has been forthcoming during the **14 Day Grace Period**, any unpaid accounts will be **suspended**, unless other arrangements have been made by contacting us (Details at the top of the Invoice). If **30 days** without payment or contact has lapsed, we will **at our discretion** consider **terminating** services, upon which you will be charged for the following full month as a termination fee. Following another 30 days (60 days or 2 months) from this Order Date, if no contact or resolution has been settled, we will remove/delete any data from our servers at our discretion.
